

# TANZANIA MEDICINES AND MEDICAL DEVICES AUTHORITY

## RISK MANAGEMENT POLICY

TMDA is committed to provide resources for implementation and continuous improvement of risk management activities in order to achieve strategic objectives. Management has integrated risk management practices at all levels of operations so as to provide reasonable assurance in implementation of regulatory functions.

We identify and manage risks and opportunities in a systematic manner using principles set out in the guidelines. We will continually monitor and review implementation to mitigate risks and pursue opportunities in delivering regulatory services while protecting and promoting public health.

## S ERA YA USIMAMIZI WA VIHATARISHI

TMDA imedhamiria kutoa rasilimali za kutosha katika kutekeleza na kuboresha shughuli za usimamizi wa vihatarishi vinavyoweza kuathiri utekelezaji wa malengo mkakati. Mamlaka imejumuisha katika ngazi zake zote za utendaji jukumu la kusimamia vihatarishi ili kuongeza ufanisi.

Tunatambua na kusimamia vihatarishi kwa kutumia taratibu zilizoainishwa kwenye miongozo. Tutaendelea kufuatilia na kufanya mapitio ya utekelezaji wa mpango wa kukabiliana na vihatarishi mara kwa mara ili kufikia malengo na hatimaye kulinda afya ya jamii.
